ARTISTIC INFORMATION

DESCRIPTION
The Tomorrow’s Circus World Festival is a unique event in the world. Over the last 30 years it has enabled young artistes from the world over to show off their talent to enthusiastic and spellbound audiences. Since 1977 more than 1000 acts have contributed to writing the new pages of circus history. These exceptional encounters are an opportunity for numerous performers from all cultures and backgrounds to compare, enrich and widen their talents. Be they from Japan, Canada, China, Denmark or the United States, performers from the entire planet are guests under the big top of the Cirque Phénix in Paris, the biggest circus in the world. Over the years, the Tomorrow’s Circus World Festival has become the essential reference for all circus lovers.
